ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

processes less than 1,000,000 pounds of wild blueberries in a year may serve on the commission as a grower representative.

Enacted law summary

Public Law 1997, chapter 511 makes the Maine Blueberry Commission a public instrumentality of the State. It changes the commission's name to the " Wild Blueberry Commission of Maine" and changing references from "blueberries" to "wild blueberries." It allows a grower who processes less than 1,000,000 pounds of wild blueberries in a year to serve on the commission as a grower representative and provides for staggered terms for commission members. The effective date is June 12, 1997.

LD 1686

An Act to Permit the Retail Sale of Smoked Alewives

PUBLIC 439

|------------------------------|---------------------------------------------------|------------------------------------|
| <u>Sponsor(s)</u> PERKINS | <u>Committee Report</u> OTP-AM MAJ ONTP MIN | <u>Amendments Adopted</u> H-613 |
|------------------------------|---------------------------------------------------|------------------------------------|

LD 1686 proposed allowing alewives smoked without removing the viscera to be offered for sale. Currently regulations of the Department of Agriculture, Food and Rural Resources prohibit the sale of alewives smoked without removing the viscera.

Committee Amendment "A" (H-613) was the majority report of the committee. It proposed adding a requirement for a person selling alewives smoked with their viscera to post a sign advising consumers to cook them prior to eating.

Enacted law summary

Public Law 1997, chapter 439 allows alewives smoked without removing the viscera to be offered for sale. It requires a person selling alewives smoked with their viscera to post a sign advising consumers to cook them prior to eating.

LD 1726

An Act to Minimize Reliance on Pesticides

PUBLIC 389

|-------------------------------|-----------------------------------------------------|------------------------------------|
| <u>Sponsor(s)</u> KILKELLY | <u>Committee Report</u> OTP-AM MAJ OTP-AM MIN | <u>Amendments Adopted</u> S-272 |
|-------------------------------|-----------------------------------------------------|------------------------------------|

LD 1726 proposed to establish the Special Advisory Committee on Pesticides Reduction of the Board of Pesticides Control. The committee would have been charged with studying and making recommendations to the board and the Legislature regarding methods to accomplish incremental reductions in the volumes of pesticides sold and applied so that for the year 2002 a reduction of 33% over 1996 levels would have been achieved. It also proposed requiring the board to adopt rules to achieve a 33% reduction by 2003 if the reduction were not achieved for 2002.

Committee Amendment "A" (S-272) was the majority report of the committee. It proposed to replace the original resolve and to direct the agencies of the State to promote integrated pest management and to work with private

interests to determine other appropriate actions. It proposed directing the State Board of Pesticides Control to study ways to improve the usefulness of report information and to publish an annual report on pesticides sales and sector of use wherever possible.

Committee Amendment "B" (S-273) was the minority report of the committee. It proposed to replace the original resolve and direct the State and agencies of the State to determine actions to reduce reliance on pesticides. It proposed requiring the State Board of Pesticides Control to strengthen reporting procedures for data collection on pesticide sales and use; directing the board to implement rules necessary for efficient data collection; requiring the board to publish an annual report on pesticides sales and use. The amendment also proposed stating that the policy of the State is to use fewer or less toxic pesticides. The minority report was not adopted.

Enacted law summary

Public Law 1997, chapter 389 directs the agencies of the State to promote integrated pest management and to work with private interests to determine other appropriate actions. It directs the State Board of Pesticides Control to study ways to improve the usefulness of report information and to publish an annual report on pesticides sales and sector of use wherever possible.

LD 1746 **An Act to Amend the Laws Relating to Development and Centralized Listing of Municipal Ordinances That Apply to Forest Practices** **CARRIED OVER**

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| KILKELLY GREEN | | |

LD 1746 proposes amending the laws relating to development of municipal timber harvesting ordinances by requiring the ordinances to be consistent with the definitions for forestry terms established in the Maine Revised Statutes, Title 12, section 8868 as well as those in rules adopted by the Department of Conservation. It proposes clarifying that a municipality may not adopt an ordinance with standards less stringent than the standards established in state law and rules adopted in accordance with state law. It proposes changes to the notice and hearing procedures for adopting municipal timber harvesting ordinances and specifying a 30-day period within which the validity of the adoption of a timber harvesting ordinance may be challenged based on an alleged failure to comply with certain notice requirements.

LD 1766 **An Act to Improve Management of Maine's Forests** **CARRIED OVER**

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| SHIAH | | |

LD 1766 proposes to establish a new forest policy for the State. It proposes to establish a permit-by-rule procedure for clear-cutting, to increase the minimum basal area required for a timber harvest not to qualify as a clear-cut, to require that clear-cutting have a silvicultural justification and to set limitations on the size and arrangement of clear-cuts, with some exemptions provided for smaller holdings. The bill also proposes establishing the Sustainable Forest Management Audit Program within the Department of Conservation for ownerships greater than 100,000
