Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

VOLENIK	ONTP MAJ OTP-AM MIN	

LD 1518 proposed a resolve to establish the Maine Forest Policy Round Table Study Commission. The resolve directs the commission to study key forest economic and labor issues. The commission would have been directed to issue a report that assesses problems and makes recommendations for changes in the State's forestry policy and to submit its report and necessary implementing legislation to the 119th Legislature by January 1, 2000.

Committee Amendment "A" (H-100) was the minority report. It proposed changing the report date for the Maine Forest Policy Round Table Study Commission and adding an appropriation section and a fiscal note to the resolve.

LD 1746 **An Act to Amend the Laws Relating to Development and Centralized Listing of Municipal Ordinances That Apply to Forest Practices** **INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KILKELLY GREEN	OTP-AM MAJ ONTP MIN	

LD 1746 proposed amending the laws relating to development of municipal timber harvesting ordinances by requiring the ordinances to be consistent with the definitions for forestry terms established in the Maine Revised Statutes, Title 12, section 8868 as well as those in rules adopted by the Department of Conservation. It proposed clarifying that a municipality may not adopt an ordinance with standards less stringent than the standards established in state law and rules adopted in accordance with state law. It proposed changes to the notice and hearing procedures for adopting municipal timber harvesting ordinances and specifying a 30-day period within which the validity of the adoption of a timber harvesting ordinance could be challenged based on an alleged failure to comply with certain notice requirements.

Committee Amendment "A" (S-527) was the majority report of the committee. This amendment proposed changing the date by which municipal ordinances must comply with a standard for definitions and adding a fiscal note to the bill.

LD 1766 **An Act to Improve Management of Maine's Forests** **ONTP**
