**Summary Of Legislation Before The Joint Standing Committees  
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Public Law 1997, chapter 523 establishes the Maine Governmental Facilities Authority for the purpose of financing the renovation or construction of state and judicial department facilities.

The bill proposed to incorporate the existing provisions of the Maine Court Facilities Authority Act and permits the Maine Governmental Facilities Authority to finance state facilities as well as court facilities. Each issuance of securities by the Maine Governmental Facilities Authority must be approved by a two-thirds vote in each House of the Legislature.

The debt ceiling of the authority is set at \$60,000,000 - \$30 million for the Judicial Branch and \$30 million for State facilities. The Commissioner of Administrative and Financial Services must submit a plan by January 15, 1998, on how to finance the debt service and related costs of the authority.

MACK LIBBY		

LD 1764 proposes to establish the Office of Regulatory Reform in the Governor’s Office. The office would review all proposed rules and could review existing rules according to criteria listed in the bill. The purpose of the review is to assure that the benefits of the rule outweigh its costs and that the rule is based on scientific and economic evidence. The committee felt that the bill had merit but found concerns regarding the location of the office in the Executive Branch and with the interplay of existing rules review procedures under the Administrative Procedure Act. The bill was carried over to the Second Regular Session.
