Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Utilities and Energy

LD 224 **An Act Regarding Charges Assessed against Owners of Sprinkler Systems** **ONTP**

<u>Sponsor(s)</u> CAMPBELL		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-------------------------------	--	---------------------------------	--	---------------------------

LD 224 proposed to prohibit a water utility from charging customers with private fire protection systems, such as sprinklers, rates to recover the utility's backup capacity costs; the bill proposed to require the rates be based on water usage.

LD 1732 **An Act to Provide Choice to Maine's Electricity Customers** **ONTP**

<u>Sponsor(s)</u> CAREY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 1732 was one of 5 bills introduced in 1997 in the 1st Regular Session that proposed a restructuring of the electric utility industry. One of the bills, LD 1804, was used as the vehicle for restructuring legislation developed by the committee and adopted by the Legislature in 1997 (see summary of LD 1804 in the bill summaries for the 1st Regular and 1st Special Sessions of the 118th); of the other 4 bills, 3 were killed. This bill, LD 1732, was carried forward as a vehicle for dealing with the issue of securitization. Securitization is a financing method proposed by utilities as a means of reducing the overall cost of stranded cost recovery. While this bill was killed, the committee dealt with other restructuring-related issues in other bills (see LDs 1935 and 2285).

LD 1788 **An Act to Require Notice to Telephone Subscribers of the Sale or Transfer of an Interexchange Carrier or a Change in Rates** **ONTP**

<u>Sponsor(s)</u> BUNKER		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-----------------------------	--	---------------------------------	--	---------------------------

LD 1788, which was carried forward from 1st Regular and 1st Special Session, proposed to require a provider of interexchange telephone services to notify customers 30 days before a sale or transfer of ownership or a change in rates.
