Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1793 proposed a procedure that all nonprofit corporations would have to follow when converting or restructuring into a for-profit or mutual benefit corporation or entity or when transferring assets to a for-profit or mutual benefit corporation or entity. The procedure would have been in addition to any other review, analysis or approval required by law.

LD 1807

An Act to Provide for Commitment of Sexually Violent Predators

INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PLOWMAN	OTP-AM	

LD 1807 proposed a procedure for the commitment of a person defined as a sexually violent predator if a court finds that the person has a mental abnormality or personality disorder that makes it likely that the person will engage in predatory acts of sexual violence if not confined in a secure facility. The bill is based on laws in Kansas and Washington.

Committee Amendment "A" (H-974) proposed to replace the bill. It proposed to create a 13-member study commission of legislators to develop a plan for the control, care and treatment of sexually violent predators. The amendment proposed a reporting date of October 15, 1998. The bill as amended was indefinitely postponed because the Senate and the House of Representatives passed HP 1653, Joint Order Creating the Joint Select Committee to Create a Program for the Control, Care and Treatment of Sexually Violent Predators. (Not adopted)

LD 1913

An Act to Clarify the Confidentiality of Public Employee Information

PUBLIC 770

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THOMPSON	OTP-AM MAJ ONTP MIN	H-998 S-718 MICHAUD

LD 1913 proposed to revise the law concerning confidentiality relating to public employee discipline cases resulting from a 1997 state court decision, Doe v. Department of Mental Health, Mental Retardation and Substance Abuse Services, 1997 ME 195, 699 A.2d 422 (1997). The bill proposed that information concerning disciplinary action against a state, county or municipal employee remain confidential unless a final written decision relating to that action involves a finding of guilt.

Committee Amendment "A" (H-998) (Majority Report) proposed to replace the bill. It proposed to provide that the final written decision governing a disciplinary action is no longer confidential once it is completed if the decision imposes or upholds discipline. It proposed that if a disciplinary action is appealed to an arbitrator, the arbitrator's decision is the final written decision, and that if the arbitrator completely overturns or removes disciplinary action from an employee's personnel file, the employee's name is confidential and must be deleted from the final written decision before it is released.

Senate Amendment "A" to Committee Amendment "A" (S-718) proposed to include a General Fund appropriation to the Department of Administrative and Financial Services of \$100 in fiscal year 1998-99 to provide additional funds for the local costs associated with deleting references to an employee's name from certain files.
