**Summary Of Legislation Before The Joint Standing Committees
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAGGETT	OTP-AM	S-451

LD 1917 proposed to make several changes to the laws governing the filing of petitions, as follows.

1. It would clarify that the petition form for organization of a new party must be approved by the Secretary of State and printed by the voter or voters proposing to form the new party.
2. It would change "working" days to "business" days, which is a term defined in the law.
3. It would change the time for the initial review of an application for a citizen's initiative or people's veto referendum from 15 working days to 10 business days and clarifies that the Secretary of State must either reject the application or respond to the applicant with a revised draft of the legislation within that time.
