Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Public Law 1997, chapter 770 overturns Doe v. Department of Mental Health, Mental Retardation and Substance Abuse Services, 1997 ME 195, 699 A.2d 422 (1997). It provides that the final written decision governing a public employee's disciplinary action is no longer confidential once it is completed if the decision imposes or upholds discipline. If a disciplinary action is appealed to an arbitrator, the arbitrator's decision is the final written decision. If the arbitrator completely overturns or removes disciplinary action from an employee's personnel file, the employee's name is confidential and must be deleted from the final written decision before it is released.
