**Summary Of Legislation Before The Joint Standing Committees
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

4. The bill would also propose to provide an additional 10 business days for the Secretary of State to review each change or subsequent draft of a citizen's initiative and respond to the applicant with a revised draft or suggested revisions to the draft within that time. Once the applicant has approved the final language of the proposed legislation, the Secretary of State would have 10 business days to provide the ballot question to the applicant.
5. This bill would clarify that referendum questions may be printed on a state candidate election ballot or municipal election ballot if approved by the Secretary of State.
6. This bill would establish the order of questions on a ballot to include a carry-over measure from a previous election, such as a competing measure or citizen initiative that did not receive the majority of votes required to be enacted.

Committee Amendment "A" (S-451) proposed to clarify the procedure for submitting an application for a citizen's initiative to include submission of written consent to the final language of the proposed law. This amendment would clarify that written consent to the final language is needed for a citizen's initiative but not for a people's veto referendum.

Enacted law summary

Public Law 1997, chapter 581 makes several changes to the laws governing the filing of petitions including: changing the term “working” days to “business” days; clarifying that new party organization forms are approved by the Secretary of State but printed by voters proposing the new party; changing the time frame for application review of citizen’s initiative or people’s veto referendum from 15 to 10 business days; allows for 10 business days for the Secretary of State to review each subsequent draft of a citizen’s initiative or people’s veto; providing that referendum questions may be printed on state candidate or municipal election ballots if approved by the Secretary of State and; establishes the order of ballot questions to include carry-over measures.
