LD 1995 An Act to Appropriate Funds for Library Resource Sharing and for P & S 83
Acquisitions for the Maine State Library

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COLWELL RAND	OTP-AM	H-844 S-764 MICHAUD

LD 1995 proposed to fund resource sharing among Maine's libraries. It proposed to help reduce the financial impact of rising postal charges and other costs associated with interlibrary lending and borrowing and to raise the Maine State Library's acquisition budget to the level of the other area reference and resource centers at Bangor Public Library and Portland Public Library.

Committee Amendment "A" (H-844) proposed to establish a nonlapsing account within the Maine State Library designed to provide support for public libraries and to foster and help fund library resource sharing. It provided a General Fund appropriation of \$1,200,000 in fiscal year 1998-99 as the initial funding year and required the State Library Commission to report annually on disbursements made to public libraries from the account. It also proposed to provide a General Fund appropriation to increase the Maine State Library's acquisition budget by \$200,000 annually beginning in fiscal year 1998-99.

Senate Amendment "C" to Committee Amendment "A" (S-764) struck the portions of the committee amendment that created a nonlapsing fund within the Maine State Library to support public libraries and library resource sharing. It also removed the \$1,200,000 General Fund appropriation provided for that purpose and specified that the remaining \$200,000 appropriation is provided on a one-time basis.

Enacted law summary

Private and Special Law 1997, chapter 83 provides a General Fund appropriation of \$200,000 in fiscal year 1998-99 to the Maine State Library on a one-time basis to increase the library's acquisition budget.
