Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Second Special Session laws include Public Laws beginning with Chapter 718, Private and Special Laws beginning with Chapter 82 and Resolves beginning with Chapter 117.

law applies when four or more parcels of land are benefited by the private way, rather than referring to four or more people being benefited. It also provides that the process may be initiated only by persons who own parcels of land that are benefited by the private way or bridge as an appurtenant easement or by fee ownership of the private way or bridge. The law does not apply to ways constructed or primarily used for commercial purposes or forest management activities. Notice of a meeting must be sent to all affected property owners 30 days before the meeting and must be posted in a public place. Until July 1, 1999 only property owners who are members of road associations incorporated as of March 1, 1998 may make use of the amended process.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 1984 **An Act to Amend the Laws Governing Secession** **PUBLIC 699**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUTREMBLE	OTP-AM MAJ ONTP MIN	H-1024

LD 1984 proposed to require that the entire municipality be allowed to vote on a proposed secession of any portion of that municipality and that the secession is effective only if approved by a majority of the votes cast.

Committee Amendment "A" (H-1024) proposed to require that proponents of secession seek a meeting with the municipal officers of the municipality from which they wish to secede, for the purpose of attempting to resolve the concerns that have caused them to consider secession. The proponents are required, prior to seeking legislation, to make a written request to the officers to add the issue to the agenda for a regular meeting of the officers. The officers are not required to place the item on the agenda, but the results of the request and of any meetings that take place must be reported to the committee of the Legislature considering the secession request by the secession proponents. The municipal officers are the selectmen or councilors of a town or the mayor and aldermen or councilors of a city. The amendment also changes the provision relating to information submitted to the Legislature to require that the listed information be provided, rather than requiring it to be provided if available.

Enacted law summary

Public Law 1997, chapter 699 requires proponents of secession to request a meeting with the municipal officers of the municipality from which they wish to secede, for the purpose of attempting to resolve the concerns that have caused them to consider secession. The proponents are required prior to seeking legislation, to make a written request to the officers to add the issue to the agenda for a regular meeting of the officers. The officers are not required to place the item on the agenda, but the results of the request and of any meetings that take place must be reported to the committee of the Legislature considering the secession request by the secession proponents. Chapter

699 also changes current law to require that certain information be provided to the Legislature when a secession bill is presented, rather than requiring it to be provided only if available.

LD 2015 **An Act to Clarify the Law Requiring the Appointment of the
Pineland Development Authority** **P & S 88
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BUTLAND	OTP-AM	S-534

LD 2015 proposed to ensure that the Pineland Development Authority is appointed in accordance with the intent of Private and Special Law 1995, chapter 79. This bill specifies that, unless by July 14, 1998 all of the Pineland Center has been sold or leased, the Governor must appoint members to the Pineland Development Authority which will assume management responsibility for the Pineland Center property. The bill would also alter the membership requirements of the Pineland Development Authority by adding additional members from New Gloucester, specifying that the board members select the chair, providing that vacancies must be filled in the same manner as the original vote and ensuring that each member's vote is given equal weight. The bill also requires that \$5,000,000 be appropriated for remediating environmental contamination and for building repair at the Pineland Center.

Committee Amentment "A" (S-534) proposes to remove all provisions in the bill pertaining to the Pineland Development Authority and adds revisions to the Pineland Conversion Committee and its membership. It would also add an emergency preamble to the bill.
