**Summary Of Legislation Before The Joint Standing Committees
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2035 proposed to adjust the 1998 state valuation of the Town of Ashland for one year during the period when the closing of a biomass energy plant owned by Alternative Energy, Inc. is not reflected in the state valuation as a result of the lag in determination of the state valuation.

See related bill LD 2192.

LD 2065 **An Act Relating to the State Valuation of the Town of Wiscasset** **INDEF PP**

<u>Sponsor(s)</u> KILKELLY	<u>Committee Report</u>	<u>Amendments Adopted</u>
-------------------------------	-------------------------	---------------------------

LD 2065 was indefinitely postponed prior to being referred to committee. It proposed to adjust the state valuation of the Town of Wiscasset during the period when the closing of Maine Yankee is not reflected in the state valuation as a result of the lag in adjustments to the state valuation by the Department of Administrative and Financial Services, Bureau of Taxation. This adjustment would have allowed the Town of Wiscasset to receive higher school subsidies and state-municipal revenue sharing from the State during this period.

See related bills LD 2192.

LD 2070 **An Act to Allow a Tax Refund for Used Business Equipment Purchased and Used in Maine** **ONTP**
