We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. DESMOND PARADIS	ONTP	

LD 2035 proposed to adjust the 1998 state valuation of the Town of Ashland for one year during the period when the closing of a biomass energy plant owned by Alternative Energy, Inc. is not reflected in the state valuation as a result of the lag in determination of the state valuation.

See related bill LD 2192.

LD 2065 An Act Relating to the State Valuation of the Town of Wiscasset INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KILKELLY		

LD 2065 was indefinitely postponed prior to being referred to committee. It proposed to adjust the state valuation of the Town of Wiscasset during the period when the closing of Maine Yankee is not reflected in the state valuation as a result of the lag in adjustments to the state valuation by the Department of Administrative and Financial Services, Bureau of Taxation. This adjustment would have allowed the Town of Wiscasset to receive higher school subsidies and state-municipal revenue sharing from the State during this period.

LD 2074 Resolve, to Reimburse Cable Companies for Expenditures Made while Participating in the Business Equipment Tax Reimbursement Tax Program RESOLVE 125

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
O'NEAL	ONTP MAJ OTP-AM MIN	H-1043

LD 2074 proposed to provide reimbursement under the business equipment tax reimbursement program for cable television companies whose eligibility was repealed retroactively in 1997. This bill would not restore ongoing eligibility but would provide reimbursement for property acquired before the enactment of the exclusion.

Committee Amendment "A" (H-1043) restricted reimbursement for cable television companies to claims that were filed in a timely manner based on the 1996 property tax year. The amendment also added an appropriation section and a fiscal note to the resolve.

Enacted law summary

Resolve 1997, chapter 125 provides for reimbursement under the business equipment tax reimbursement program for certain cable television companies whose eligibility was retroactively repealed in 1997. Reimbursement is restricted to claims that were filed in a timely manner based on the 1996 property tax year.

LD 2077 Resolve, to Establish the Task Force to Increase Primary and RESOLVE 127
Secondary Forest Product Manufacturing

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELANGER D KIEFFER	OTP-AM	H-917 S-763 MICHAUD

LD 2077 proposed to establish the Northern Aroostook Enterprise Zone to be administered by the Northern Aroostook Enterprise Zone Development Board to promote economic development in the zone. As incentives for development, the bill would create for eligible businesses a raw materials credit, a utility credit and a job creation credit and provide for partial state reimbursement for property tax abatements granted by municipalities to eligible new businesses.

Committee Amendment "A" (H-917) replaced the original bill. The amendment proposes to create the Task Force to Increase Primary and Secondary Forest Product Manufacturing for the purpose of exploring and recommending ways to improve the competitive position of the forest products industry in this State. The amendment also adds a fiscal note to the bill.

Senate Amendment "A" to Committee Amendment "A" (S-751) (not adopted) would have provided that the Task Force to Increase Primary and Secondary Forest Product Manufacturing would hold 4 public meetings and that the meetings would be held in certain specified counties. It also would have eliminated the General Fund appropriation for the costs of the task force, authorizes a transfer from the Bureau of Revenue Services to fund \$1,000 of the costs for legislative members and requires the Department of Economic and Community Development to absorb other task force expenses.

Senate Amendment "B" to Committee Amendment "A" (S-763) is the same as Senate Amendment "A" (S-751) except that it makes a technical correction.
