**Summary Of Legislation Before The Joint Standing Committees
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2113**An Act to Establish Ethical Standards for the Office of Governor****DIED BETWEEN BODIES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAWRENCE	ONTP MAJ	
TUTTLE	OTP-AM MIN	

LD 2113 proposed to expand the authority of the existing Commission on Governmental Ethics and Election Practices to include investigating and making advisory recommendations relative to any apparent violations of the ethical standards required of the Governor and would require the Governor to adhere to similar ethical standards that apply to Legislators.

It proposed to require the Governor to disclose conflicts of interest and would require the Governor to meet the disclosure of income standards that currently apply to Legislators. Similarly, it would require the Governor to disclose gifts and honoraria.

Committee Amendment "A" (S-586) proposed to change which party may call an organizational meeting of the Commission on Governmental Ethics and Election Practices from the President of the Senate and the Speaker of the House to the Secretary of State. This amendment would remove the requirement that the commission conduct an ethics seminar for the Governor, clarify the definition of "honorarium" and define "legislative matter." It would provide that the commission has the authority to issue advisory opinions to the Governor and investigate complaints by the Governor against a Legislator.

This amendment would add the Governor and the Secretary of State to the list of those to whom the commission reports when dealing with complaints against the Governor. It also proposed to remove the requirement of a press release when presenting findings of an investigation of complaints against the Governor.

This amendment proposed to require that commission advisory opinions and findings regarding complaints be filed with the Office of the Governor in addition to the Clerk of the House. It would also add a section that defines abuse of executive office.
