Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2174

An Act to Implement the Recommendations of the Commission to Study Insurance Fraud

PUBLIC 675

<u>Sponsor(s)</u>		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-914
-------------------	--	-----------------------------------	--	------------------------------------

LD 2174 proposed to implement recommendations of the Commission to Study Insurance Fraud.

1. It prohibits fraudulent insurance acts and makes violations subject to civil penalties.
2. It requires insurers to include warnings on all claim forms and insurance applications.
3. It clarifies the immunity provisions to allow sharing of information related to fraudulent insurance acts between law enforcement agencies and insurers.
4. It requires insurers to report fraudulent insurance acts on an annual basis to the Superintendent of Insurance.
5. It requires insurers to develop antifraud plans.

Committee Amendment “A” (H-914) proposed to clarify that information reported to the Bureau of Insurance related to suspected, anticipated or completed fraudulent insurance acts may not identify any individuals or entities. The amendment requires the Superintendent of Insurance to adopt rules defining the information to be reported by January 1, 1999 but designates the rules as routine technical rather than major substantive.
