We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 2257**

**An Act to Make Public the Records of the Department of  
Corrections Relating to Inmate Furloughs and Requests under the  
Uniform Act for Out-of-State Parolee Supervision**

**PUBLIC 714  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JABAR MURRAY	OTP-AM	H-991

LD 2257 proposed to make public records of certain information within the Department of Corrections and other criminal justice agencies regarding furlough of convicted criminals, thus giving the department or agencies the ability to inform the public when criminals are being released from prison on furloughs or transferred into communities from other states. The bill also proposed to require that the department give notice to the law enforcement community prior to granting furloughs or requests under the Uniform Act for Out-of-State Parolee Supervision.

Currently, under the Uniform Act for Out-of-State Parolee Supervision, the department makes decisions concerning the release into Maine communities of convicted criminals who have little or no prior connection to the State. Under the Act, other states may seek to transfer a parolee to the State for supervision. There is no restriction on the type of individual who is eligible to seek such a transfer.

**Committee Amendment "A" (H-991)** replaced the bill and proposed to add emergency status. The amendment proposed to make public records of certain information within the Department of Corrections and other criminal justice agencies, thus giving the department or agencies the ability to inform the public when criminals are being released from prison on furloughs or transferred into communities from other states and to inform the public of current addresses or locations of criminals. The amendment proposed to require that the department give notice to the law enforcement community prior to granting furloughs or requests under the Uniform Act for Out-of-State Parolee Supervision. This amendment also proposed to require the department, upon request, to share information releasable under its confidentiality statute. Finally, the amendment proposed to decriminalize violations of the department's confidentiality statute and add a fiscal note to the bill.

***Enacted law summary***

Public Law 1997, chapter 714 makes public certain records within the Department of Corrections and other criminal justice agencies, allowing the public to access information regarding the release and location of prisoners on furlough or transfers from other states. Public Law 1997, chapter 714 requires the Department of Corrections to give notice to the law enforcement community prior to granting furloughs or requests under the Uniform Act for Out-of-State Parolee Supervision. Public Law 1997, chapter 714 also directs the Department of Corrections, upon request, to share information releasable under its confidentiality statute and decriminalizes violations of the department's confidentiality statute.
