ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 151 proposed to prohibit the State from requiring that membership in the Maine National Guard be a condition of obtaining or retaining any position of employment by the State.

LD 873

An Act to Clarify Responsibilities for the Maintenance of Veterans' Grave Sites

PUBLIC 700

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAWRENCE BERRY R	OTP-AM	H-995 COWGER S-581

LD 873 proposed to update and amend municipal responsibilities for veterans' grave sites, including:

1. Changing the term "soldier or sailor who served in the United States Army, Navy or Marine Corps in any war" to "veterans of the Armed Forces of the United States of America";
2. Changing the liability of the municipality for failing to properly maintain veterans' grave sites from \$100 per town to \$500 per cemetery for each municipality;
3. Changing the term "May 30th" for the decoration of veterans' graves to "the day Memorial Day is observed"; and
4. Requiring municipalities to follow the National Flag Code in the handling and display of American flags.

Committee Amendment "A" (S-581) proposed to clarify the law pertaining to municipal and county responsibility for maintaining veterans' graves. It proposed to provide that a landowner who denies a municipality or county access to an ancient burying ground may be responsible for court costs and fees for legally obtaining access to the graves. This amendment also proposed to remove the municipality's or county's option of erecting a single flagpole instead of placing individual flags on each veteran's grave on Memorial Day. This amendment also proposed to add a fiscal note to the bill.

House Amendment "A" to Committee Amendment "A" (H-995) proposed to clarify that municipalities are not responsible for the maintenance and decoration of veterans' graves on land owned by the Federal Government as of January 1, 2000.
