**Summary Of Legislation Before The Joint Standing and Select Committees
August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 250 proposed to name the State Office Building the Burton M. Cross Building in honor of former Governor Cross, who was the sitting governor when the State Office Building was originally constructed.

Committee Amendment "A" (H-117) proposed to amend the resolve by adding a requirement that the official naming of the building coincide with the reopening of the renovated State Office Building in 2001.

Enacted law summary

Resolve 1999, chapter 33 names the State Office Building after former Governor Burton M. Cross. The Burton M. Cross Building will be officially named in 2001 when the completely renovated State Office Building will be reopened.
