LD 269, in Part A of the bill proposed a \$35,000,000 bond issue for public school construction, renovation and repairs that would be presented to the voters in November 1999. This bond proposal was in line with a recommendation of the Governor's Commission on School Facilities which presented a plan to the Governor and the Legislature designed to address Maine's public school construction, renovation and repair needs. That recommendation was that the State issue \$35,000,000 in general obligation bonds in each of fiscal years 1998-99 and 1999-00.

The commission also recommended an immediate General Fund appropriation of \$30,000,000. Public Law 1997, chapter 787 included a General Fund appropriation of \$20,000,000 to the School Revolving Renovation Fund. Part B of this bill proposed to appropriate \$10,000,000 to the program to bring the total appropriation level to \$30,000,000. The bill was carried over to the Second Regular Session of the 119th Legislature.
