**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

For motor vehicle violations, certain violations relating to odometers, dealers' licenses and dealers' plates, vehicle auction licenses and records, the time period for obtaining a driver's license, insurance for dealers and transporters, regrooved tires and railroad grade crossings. This Part also corrects language concerning contesting summonses. It also revises the law governing permitting unlawful use. This amendment makes it a traffic infraction for a vehicle owner to allow another person to use the vehicle when the driver commits a traffic infraction with the vehicle. Current law makes all permitted unlawful use a Class E crime.

Chapter 771 applies to violations committed on or after July 1, 2001.

**LD 347**

**An Act to Amend the Installment Payment Order Capability of the Disclosure Court**

**PUBLIC 587**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GAGNE	OTP-AM MAJ	H-816
BENNETT	ONTP MIN	

LD 347 proposed to amend the law that determines the maximum amount that the Disclosure Court can order a judgment debtor to pay to a judgment creditor in installment payments to pay off a debt that the court has already determined to be due to the creditor. Under current law, a judgment debtor receiving money from sources exempt from attachment and execution may not be ordered to pay any of that money to judgment creditors. LD 347 proposed to allow a court to order installment payments where the money received is exempt from attachment and execution and is, either alone or in combination with nonexempt money, sufficient in quantity to allow the court to order an installment payment, under the calculation provided in current law. The bill does not propose to allow a court to order the garnishment, withholding or attachment of any exempt money. The bill also proposed to repeal an unused provision of current law that permits a court in a small claims action to order a judgment debtor to pay up to \$15 per month if the debtor is shown not to be indigent.

**Committee Amendment "A" (H-816)** proposed to replace the bill. It proposed to rewrite the section of law relating to installment payment orders to make it easier to read. It also proposed to make a substantive change in law by allowing the court, in determining a debtor's ability to make installment payments, to consider income that is exempt from attachment and execution, such as veterans' benefits and social security benefits. The exempt income would be used to calculate the maximum installment payment the court could order, but would not be subject to attachment. Only nonexempt income would be subject to the order and to potential attachment.

***Enacted law summary***

Public Law 1999, chapter 587 allows a court, in determining a debtor's ability to make installment payments to a creditor, to consider income that is exempt from attachment and execution, such as veterans' benefits and social security benefits. The exempt income would be used to calculate the maximum installment payment the court could order, but would not be subject to attachment.
