ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 454 proposed to make it a Class D crime for a person committing a crime involving domestic abuse to cause a telephone to be inoperable during the commission of that abuse.

Committee Amendment "A" (H-921) proposed to replace the bill and change the title. The amendment proposed to expand the warrantless arrest law to include criminal threatening, terrorizing, stalking, criminal mischief and obstructing the report of a crime or injury if the officer reasonably believes that the person and the victim are family or household members. The amendment also proposed to create the Class D crime of obstructing the report of a crime or injury. As proposed, a person would be guilty of obstructing the report of a crime or injury if that person intentionally, knowingly or recklessly disconnects, damages, disables, removes or uses physical force or intimidation to block access to a telephone, radio or other electronic communication device with the intent to obstruct, prevent or interfere with another person's report to a law enforcement agency or request for an ambulance or emergency medical assistance to a governmental agency, hospital, physician or other medical service provider. The amendment also proposed to add a fiscal note.
