LD 579 proposed to create an income tax credit of up to \$25,000 for taxpayers who make contributions to family development account reserve funds.

Committee Amendment "A" (S-84) replaced the original bill. The amendment clarified the intent of the original bill by correcting references to the agency administering family development reserve accounts, providing that only one credit may be claimed by return, ensuring that a contribution eligible for a credit may not also be eligible for an itemized deduction, providing that the credit is not refundable and providing an application date of January 1, 2000. The amendment also proposed to update references in the statutes to periodic statutory review of income tax expenditures.
