ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 573 proposed to repeal Private and Special Law 1995, chapter 32 and Private and Special Law 1997, chapter 59, which authorized Maine School Administrative District No. 49 to construct and equip a locally funded arts and technology center. Subject to approval by the voters of the district, the bill proposed to authorize the Board of School Directors of Maine School Administrative District No. 49 to expend \$5,500,000 and to use a design for its proposed locally funded arts and technology center that includes a technology suite, an auditorium using the structure of the existing junior high school gymnasium, a new junior high school gymnasium and other additions and improvements to the Lawrence Junior-Senior High School complex in the Town of Fairfield. This bill also proposed to clarify that construction of an auditorium using the structure of the existing junior high school gymnasium and construction of a new junior high school gymnasium are permitted as part of the project. As with the prior laws, the district would be authorized to enter into a design-build contract or other alternative construction arrangements for the project and the only state approvals required for the project are approval of the plans and specifications by the State Fire Marshal and the Department of Human Services.

Under this bill, the additional operating costs of the project during its first two years would be required to be paid from gifts to the district, available funds of the district from sources other than taxation and local appropriations without state participation approved by the voters of the district pursuant to the Maine Revised Statutes, Title 20-A, section 15614, subsection 3.

Enacted law summary

Private and Special 1999, chapter 2 repeals Private and Special Law 1995, chapter 32 and Private and Special Law 1997, chapter 59, which authorized Maine School Administrative District No. 49 to construct and equip a locally funded arts and technology center. Subject to approval by the voters of the district, the bill authorizes the Board of School Directors to expend \$5,500,000 and to use a design for its proposed locally funded arts and technology center that includes a technology suite, an auditorium using the structure of the existing junior high school gymnasium, a new junior high school gymnasium and other additions and improvements to the Lawrence Junior-Senior High School complex in the Town of Fairfield. This law also clarifies that construction of an auditorium using the structure of the existing junior high school gymnasium and construction of a new junior high school gymnasium are permitted as part of the project. As with the prior laws, this law authorizes the district to enter into a design-build contract or other alternative construction arrangements for the project and establishes that the only state approvals required for the project are approval of the plans and specifications by the State Fire Marshal and the Department of Human Services.

Under this law, the additional operating costs of the project during its first two years are required to be paid from gifts to the district, available funds of the district from sources other than taxation and local appropriations without state participation approved by the voters of the district pursuant to the Maine Revised Statutes, Title 20-A, section 15614, subsection 3.

Chapter 2 was enacted as an emergency measure effective March 11, 1999.
