ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Please note the effective date for all non-emergency legislation enacted in the First Regular Session (unless otherwise specified in a particular law) is September 18, 1999.

Committee Amendment "A" (S-260) proposed to change the substance of the bill to provide that for any sanitary district whose territory does not extend beyond the boundaries of a single municipality and whose territory encompasses less than the entire area of the municipality all trustees must be residents of the municipality and a majority of the trustees must be residents of the district.

Enacted law summary

Public Law 1999, chapter 299 provides that for any sanitary district whose territory does not extend beyond the boundaries of a single municipality and whose territory encompasses less than the entire area of the municipality all trustees must be residents of the municipality and a majority of the trustees must be residents of the district. It also provides that trustees must be elected at large by a plurality vote of the voters within the territory of the district.

Chapter 299 was enacted as an emergency measure effective May 24, 1999.

ONTP

Amendments Adopted

LD 635 proposed to amend the electric industry restructuring law by eliminating the 100 megawatts criteria for hydroelectric generators so that all hydroelectric generators qualify as renewable resources, regardless of their total power production capacity.

The renewable resource portfolio requirement was changed in LD 2154.
