**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Amendments Adopted  
H-331

LD 704 proposed to authorize the Maine Municipal Bond Bank, after the advent of electric industry restructuring, to organize and administer the cooperative bulk purchase of electricity and fuel commodities by local governmental units and nonprofit corporations.

**Committee Amendment "A" (H-331)** proposed to replace the bill and amend the title to reflect the content of the amendment. This amendment proposed:

1. To remove the authority for the Maine Health and Higher Educational Facilities Authority to provide certain commodities purchasing and transfer services, including aggregation services, to employees of health care and higher education entities;
2. To permit the Maine Municipal Bond Bank to offer aggregation services to governmental units and nonprofit corporations; and
3. To provide that the Maine Municipal Bond Bank:
  - A. Is subject to all applicable provisions of law, including those provisions of the Maine Revised Statutes, Title 35-A relating to aggregators of customers of electricity;
  - B. Must provide to any entity to whom it offers to provide aggregation services notice that the entity is under no obligation to accept such services and that no other service provided by the bank is conditional upon or affected by the entity's acceptance or rejection of the offer;
  - C. May not extend credit or vary the terms of credit based on an entity's acceptance or rejection of an offer by the bank to provide aggregation services; and
  - D. May not encourage or otherwise seek to persuade any entity to accept aggregation services, if the entity has an application with the bank for a loan, until after the bank has taken final action on approving or rejecting the application.

The amendment also proposed to add a fiscal note to the bill.
