ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

SAVAGE W	ONTP MAJ OTP-AM MIN	

LD 824 proposed to require insurers to pay costs and reasonable attorney's fees to the insured in any civil action to determine coverage under an insurance policy when the insurer loses the suit. The bill also proposed to require that insurers have the burden of proof in any action to determine coverage of a liability insurance policy regardless of whenever the insurer or an insured or claimant institutes the action.

Committee Amendment "A" (H-189) was the minority report of the committee and proposed to replace the bill. It proposed to clarify that the bill applies only to declaratory judgment actions to determine an insurer's contractual duty to defend an insured. It proposed to define an insured as a natural person and exclude corporations, trusts, partnerships, incorporated or unincorporated associations and other legal entities from the definition of an insured. It proposed to clarify the intent that no right or cause of action is created or extended to third-party claimants under an insurance policy and that insureds are not permitted to assign any rights under a policy to any other person. The amendment also proposed to exempt life, health, disability and workers' compensation insurance. Committee Amendment "A" was not adopted.
