ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

MURPHY T	OTP-AM	

LD 835 proposed to establish the Commission to Study the Interrelationship among the Maine State Retirement System, federal Social Security System and Tax-advantaged Accounts. The commission would have consisted of 12 members, 6 with expertise or experience in retirement systems and 6 who are Legislators and would have reported to the Second Regular Session of the 119th Legislature and the Joint Standing Committee on Labor.

Committee Amendment "A" (H-1054) proposed to replace the resolve and to direct the Joint Standing Committee on Labor to study the design of pension plans for state employees and teachers, the level and equity of the benefits and early retirement options available under those plans and submit a report for consideration by the First Regular Session of the 120th Legislature. At the end of the session, the study was not funded and the Labor Committee will conduct the study as part of its monthly meetings during the interim.
