ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 904**An Act to Provide Term Limits for the Secretary of the Senate and the Clerk of the House of Representatives****NOT PROPERLY BEFORE BODY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MURPHY		

LD 904 proposed to place term limits on the Secretary of the Senate and Clerk of the House of Representatives. The limitations would be similar to the six-year term limit in current law for the President of the Senate, Speaker of the House of Representatives and floor leaders, except this bill proposed to set the term limitations for the Secretary of the Senate and Clerk of the House of Representatives at eight years. The calculation of the limitation period would begin with the first convening of the 119th Legislature.

This bill was ruled not properly before the body in both the House and the Senate

LD 922**An Act to Provide Computers for Use in the Legislature****INDEF PP**

GERRY	OTP-AM MAJ	
RAND	ONTP MIN	

LD 922 proposed to require the Legislative Council to implement provisions for a computerization plan by July 1, 1999 for the Legislature.

Committee Amendment "A" (H-320), which was not adopted, proposed to remove the emergency preamble and the emergency clause from the bill. It also proposed to eliminate a requirement that the Legislative Council approve and implement a plan to provide an automated computer system for managing legislative activity by July 1, 1999. The amendment also proposed to add a requirement that the Presiding Officers of the Legislature and Director of the Legislative Information Office report annually on the establishment of the legislative computer system to the joint standing committee having jurisdiction over state and local government matters. It proposed to repeal this reporting requirement effective January 15, 2006. The amendment also proposed to add an appropriation section to the bill.

Senate Amendment "A" to Committee Amendment "A" (S-306), which was not adopted, proposed to offset the cost of the new Network Administrator position and Desktop Support Assistant positions and the expenses associated with the bill by eliminating three chamber staff positions in the House and Senate and reducing the amount given to the Legislature for other expenses.
