Committee Report  
ONTP

Amendments Adopted

LD 993 proposed a bond issue in the amount of \$75,000,000, the funds of which would be used by the Land for Maine's Future Board to acquire lands and easements from willing sellers for public outdoor access and recreation, farmland preservation and conservation and to protect wildlife habitat. To maximize the effectiveness of this investment in Maine's future, the board would have been required to secure at least \$37,500,000 in other public and private contributions.

Part B of this bill proposed to provide for a \$20,000,000 appropriation from the General Fund to the Land for Maine's Future Fund.

As with Part A, the funds would have been used by the Land for Maine's Future Board to acquire lands and easements. The board would have been required to secure at least \$10,000,000 in other public and private contributions.

While LD 993 was not enacted, Public Law 1999, chapter 514 (see LD 2253) was enacted which authorized a \$50,000,000 bond issue for public land acquisition subject to voter approval in November 1999.
