ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 1003**An Act to Allow for Navigation in Areas of Elver Fishing****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COWGER HARRIMAN	ONTP	

LD 1003 proposed to prohibit a person from setting an elver fyke net or Sheldon eel trap in the middle portion of a river, brook, stream or other watercourse that can be navigated by a vessel. The bill also proposed to require a person who sets an elver fyke net or Sheldon eel trap to mark the locations of the net or trap and all associated lines and anchors so that the locations are clearly visible to the operator of a vessel.

LD 1079**An Act to Establish a Framework for Management of Emerging Fisheries****PUBLIC 297**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GOLDTHWAIT HONEY	OTP-AM	S-264

LD 1079 proposed to establish authority in the Department of Marine Resources to require an endorsement in conjunction with a commercial fishing license in the event a new or emerging fishery is begun as a means of initiating management to avoid development of the fishery beyond a sustainable level. It proposed to require that the commissioner report the circumstance to the joint standing committee of the Legislature having jurisdiction over marine resources matters. This bill was submitted on behalf of the Department of Marine Resources.

Committee Amendment "A" (S-264) proposed to authorize the Commissioner of Marine Resources to investigate conditions affecting marine resources and require an endorsement on a commercial fishing license for a harvester to participate in an emerging fishery that is under increasing pressure that could impact its sustainability. The amendment proposed to authorize the commissioner to control the number of individuals engaged in an emerging fishery by limiting the number of endorsements issued for a specific marine organism. The amendment proposed to require the commissioner to report to the joint standing committee of the Legislature having jurisdiction over marine resources matters on the status of an emerging fishery within 24 months of the issuance of the first endorsement for that fishery.

Enacted law summary

Public Law 1999, chapter 297 authorizes the Commissioner of Marine Resources to investigate conditions affecting marine resources and require an endorsement on a commercial fishing license for a harvester to participate in an emerging fishery that is under increasing pressure that could impact its sustainability. The law authorizes the commissioner to control the number of individuals engaged in an emerging fishery by limiting the number of endorsements issued for a specific marine organism. The law requires the commissioner to report to the joint standing committee of the Legislature having jurisdiction over marine resources matters on the status of an emerging fishery within 24 months of the issuance of the first endorsement for that fishery.
