FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Committee Amendment "A" (S-296) proposed to broaden the duties of the proposed commission to study the needs and opportunities associated with the production of salmonid sport fisheries in Maine. The amendment also proposed to change and expand the commission membership by adding the following members:

1. The Superintendent of Fish Culture at the Department of Inland Fisheries and Wildlife; and
2. Two members of the Inland Fisheries and Wildlife Advisory Council, 3 individuals who represent owners or operators of a private fish hatchery in the State, one member of the Sportsman's Alliance of Maine and one individual who owns or operates a private aquaculture facility in the State.

This amendment proposed to clarify and specify the duties of the commission with regard to salmonid fish culture facilities in Maine.

House Amendment "A" to Committee Amendment "A" (H-641) proposed to change the appointing authority for the 2 commission members who are members of the Joint Standing Committee on Inland Fisheries and Wildlife and proposed to eliminate the requirement that one of those members be from the minority party.

Senate Amendment "A" to Committee Amendment "A" (S-459) proposed to add an emergency preamble and an emergency clause and to move the deadline for convening the first meeting from October 1, 1999 to August 1, 1999. It proposed to require that the Senate chair and House chair be appointed by the President of the Senate and the Speaker of the House of Representatives, respectively. The amendment proposed to delete the payment of the legislative per diem for nonlegislative members.
