ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1011 proposed to make disclosures and limitations required for all durable financial powers of attorney inapplicable to powers of attorney granted by someone other than an individual, such as a corporation, or by an individual when the power is granted to a secured party or the mortgagee in a security agreement or mortgage.

Committee Amendment "A" (H-138) proposed to replace the word "individual" with "natural person," and to clarify that a power of attorney given by a borrower or related party to a lender in a loan transaction for value is not of the type intended to be regulated by the Maine Revised Statutes, Title 18-A, section 5-505.

Enacted law summary

Public Law 1999, chapter 118 eliminates the requirement that a durable financial power of attorney contain certain limitations and disclosures when the power of attorney is granted by someone other than a natural person, when it is related to a security agreement or mortgage, or when involved in a loan transaction.
