FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1172

Resolve, Establishing a Task Force to Study the Need for an Agricultural Vitality Zone Program

**RESOLVE 81
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GOLDTHWAIT	OTP-AM	S-196
COWGER		S-460 MICHAUD

LD 1172 proposed establishing the Task Force to Study the Need for an Agricultural Vitality Zone Program to identify areas of the State where there is substantial existing small-scale agricultural activity, definable networks of support services and regional markets that have been or are being developed. The proposed task force would also be required to target existing and potential state resources, including farmland conservation and protection measures, job training and beginning-farmer training programs, tax credits and incentives and grants and loans, to create and support these agricultural vitality zones.

Committee Amendment "A" (S-196) proposed changes to the membership of the Task Force to Study the Need for an Agricultural Vitality Zone Program and allowing the members to select a chair. It proposed a minimum of 4 public meetings, one in each of the State's 4 development districts. It also proposed adding an emergency preamble and emergency clause and an appropriation section and fiscal note to the resolve.

Senate Amendment "A" to Committee Amendment "A" (S-460) proposed changing the membership of the task force to provide for 4 citizen members and 5 legislators as members and to require the task force to invite the participation of representatives of the State Planning Office, the Department of Agriculture, Food and Rural Resources, the Department of Economic and Community Development and representatives of regional development districts.

It also proposed changing the reporting date to December 1, 1999 and authorizing the Legislative Council to grant an extension upon request of the task force. It proposed that the Office of Policy and Legal Analysis provide staffing services and requires the Department of Agriculture, Food and Rural Resources and the State Planning Office to provide additional services as requested by the task force chairs.

Finally, the amendment proposed removing language in the committee amendment relating to public hearings and proposed a convening date of no later than July 30, 1999.
