**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

1. It limits depositions to the parties and the experts designated by the parties, although the chair of the prelitigation screening panel may authorize deposing additional persons. Depositions must be admitted to the panel hearing regardless of whether the person deposed is available for the hearing; and
2. It requires the panel to maintain a tape recorded record of the panel proceedings. That record remains confidential except that testimony made under oath in the panel proceeding may be used in subsequent proceedings for purposes of impeachment. In addition, the person who made the statement or presented that evidence may agree to its submission, use or disclosure outside of the panel proceeding.
