**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

MAYO LAFOUNTAIN	ONTP	

LD 1767 was carried over from the First Regular Session of the 119<sup>th</sup> Legislature. It proposed to allow an employer or organization making provisional payments through a self-funded health plan or employee welfare benefit plan to recover those payments from the disability retirement benefit due the member from the Maine State Retirement System. An administrative agreement that eliminated the need for the bill was worked out between the Maine State Employees Union and the Retirement System; and the bill was reported out ONTP.
