**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Committee Report  
OTP-AM

Amendments Adopted

LD 1402 proposed to create a registration requirement for telemarketers doing business in Maine and to require telemarketers to keep certain records and make certain disclosures to consumers. The bill also proposed to prohibit various acts and practices of telemarketers and to provide for criminal penalties and civil remedies.

**Committee Amendment "A" (H-113)** proposed to replace the bill. The Joint Standing Committee on Utilities and Energy requested by letter that the Attorney General work with interested parties in developing proposals for addressing telemarketing fraud. This amendment proposed to provide authority for the committee to report out legislation related to telemarketing to the Second Regular Session of the 119th Legislature in response to the proposals developed by the Attorney General. The amendment was not enacted; in its stead was enacted a joint order providing precisely the same authority to the committee.
