**ONE HUNDRED NINETEENTH LEGISLATURE**  
**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

- CON RES XXX*..... Chapter # of Constitutional Resolution passed by both Houses
- CONF CMTE UNABLE TO AGREE*..... Committee of Conference unable to agree; bill died
- DIED BETWEEN BODIES*..... House & Senate disagree; bill died

## Joint Standing Committee on Utilities and Energy

**LD 105**                      **An Act to Clarify Great Northern Paper, Inc.'s Status to Furnish Electricity**                      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLARK CAREY	ONTP	

LD 105 proposed to repeal the law that allows Great Northern Paper, Inc. to furnish electricity to and from the Millinocket mill, whether or not that mill is owned by Great Northern Paper, Inc., without being considered an electric utility.

**LD 553**                      **An Act to Amend the Charter of the Kennebec Water District**                      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GAGNON CAREY	ONTP	

LD 553 proposed to amend the charter of the Kennebec Water District to change certain provisions relating to trustee compensation and to restrict certain outside activities of trustees to reduce potential conflicts of interest.

**LD 1464**                      **An Act to Amend the No Trespassing Zone Around the Water Intake Pipes of the Portland Water District**                      **P & S 63**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLOUGH RAND	OTP-AM	H-773

LD 1464 proposed to protect the water supply maintained by the Portland Water District by changing the way that the restricted area around the intake pipes in Sebago Lake is measured. The bill proposed that the restricted area be measured from the two intake pipes instead of from a point on the shore.

**Committee Amendment "A" (H-773)** proposed that the 3,000-foot no trespassing zone be measured from the southernmost intake.

**Enacted law summary**

Private and Special Law 1999, chapter 63 protects the water supply maintained by the Portland Water District by changing the way that the restricted area around the intake pipes in Sebago Lake is measured. The law provides for a 3,000-foot no trespassing zone measured from the southernmost intake pipe. This ensures continued boating access to the channel surrounding Indian Island in Lower Bay of Sebago Lake.

**LD 1500**

**An Act to Provide Assistance to Low-income Energy Consumers**

**INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAXL M KONTOS	OTP-AM	

LD 1500 proposed to establish a nonlapsing trust fund to finance a statewide low-income electric assistance program using the Maine corporate income taxes derived from the sale of electric utilities' generation-related assets. This bill proposed to allow the Public Utilities Commission to require transmission and distribution utilities to collect funds to augment the trust fund allocation to the extent needed. The bill proposed that the Maine State Housing Authority administer both the trust and the program. The bill proposed to design the program based on the eligibility requirements of Central Maine Power's Electricity Lifeline Program. An advisory board would be established to advise the authority regarding all aspects of the low-income electric assistance program.

**Committee Amendment "A" (H-618)**, which was reported out of the committee during the First Regular Session, proposed to replace most of the bill. This amendment proposed to transfer funds from the General Fund to the Low-income Electric Trust Fund equal to the amount of transfer taxes that were to be deposited in the General Fund as a result of sales or transfers of generation assets required to be divested pursuant to the electric restructuring law; to provide that the electric utility bill payment assistance program funded by the Low-income Electric Trust Fund become active on March 1, 2002; to require that until that date existing utility-administered programs remain in place; and to direct consumer-owned electric utilities to develop and implement programs to provide assistance to low-income consumers between March 1, 2000 and March 1, 2002.

**House Amendment "A" (H-692)**, offered during the First Regular Session, proposed to replace the bill. Under this amendment, that portion of the corporate income taxes collected from electric utilities by the State Tax Assessor attributable to the gain on the sale or transfer of generation assets divested after May 21, 1999 would be required to be paid by the State Tax Assessor to the Maine State Housing Authority for deposit them in the Maine Low-income Energy Assistance Fund. The Maine State Housing Authority would be authorized to apply money in the fund to operate the Maine Low-income Energy Assistance Program to provide weatherization, energy conservation and fuel assistance to persons who qualify for assistance pursuant to the Weatherization Assistance for Low-income Persons Program administered through the United States Department of Energy or the Low-income Home Energy Assistance Program administered through the United States Department of Health and Human Services. The authority would be authorized to use up to 10% of the funds to cover the administrative costs of operating the program. The authority would be required to apply the funds in a manner that maximizes federal assistance under the Weatherization Assistance for Low-income Persons Program and the Low-income Home Energy Assistance Program.
