H-678

LD 1494 proposed to require that the owner of a mobile home or modular construction home that is situated on property that is not owned by the mobile home or modular construction home owner who transfers that home must file a form prepared by the Bureau of Revenue Services and a real estate transfer tax declaration of value with the register of deeds in the county where the home is located. The bill also proposed to require that a transfer of a mobile home or modular construction home be subject to the real estate transfer tax unless it is transferred to a dealer or from a dealer or is uninhabitable.

Committee Amendment "A" (H-678) replaced the bill. It proposed to provide authority to municipal officers to enact an ordinance to ensure that the municipal assessor is notified when a mobile home or modular construction home is transferred and the transferor does not own the land on which the home is located.
