Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1523

An Act to Amend Criminal Law Procedures Regarding Defendants Found Incompetent to Stand Trial

PUBLIC 503

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WINSOR BENNETT	OTP-AM	H-637

LD 1523, a concept draft pursuant to Joint Rule 208, proposed to require a court to order that a defendant found incompetent to stand trial be confined by the State for the purpose of obtaining treatment, and confined until the court found that the defendant was competent to stand trial.

Committee Amendment "A" (H-637) proposed to replace the original bill by deleting the one-year limitation on how long a defendant can be held if found incompetent to stand trial, and by requiring the court to order the Commissioner of Mental Health, Mental Retardation and Substance Abuse Services to start involuntary commitment procedures for a defendant who the court has determined is not competent and there does not exist a substantial probability that the defendant will be competent in the foreseeable future if the defendant is charged with specific serious crimes: crimes against the person; sexual assault; criminal restraint and kidnapping; harassment; arson; and causing a catastrophe .

Enacted law summary

Public Law 1999, chapter 503 amends the current law to establish a procedure to deal with defendants who are found incompetent to stand trial by a court. First, consistent with State v. Dedekian, 680 A.2d 441 (1996), the one-year limitation on how long a defendant may be confined by the State is eliminated, as long as there is a substantial probability that the defendant will attain capacity in the foreseeable future. Second, the court is required to order the Commissioner of Mental Health, Mental Retardation and Substance Abuse Services to start involuntary commitment procedures for a defendant who the court has determined is not competent and there does not exist a substantial probability that the defendant will be competent in the foreseeable future if the defendant is charged with specific serious crimes: crimes against the person; sexual assault; criminal restraint and kidnapping; harassment; arson; and causing a catastrophe.
