**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 1644 proposed to amend the limitations on off-track betting facilities to clarify that, by racing the number of days prescribed in the Maine Revised Statutes, Title 8, section 275-N, commercial tracks are entitled to engage in simulcasting during their live race meets.

**Committee Amendment "A" (H-807)** would clarify proposed language that amends the limitations on off-track betting facilities. The amendment also proposed to amend the liquor laws by permitting a minor on the premises of a Class A lounge where harness horse racing is conducted if the minor is at least 18 years of age.

***Enacted law summary***

Public Law 1999, chapter 568 states that a commercial track may conduct interstate simulcasting of horse races during a regular race meet at the track. This law also changes the liquor laws by permitting a minor who is at least 18 years of age on the premises of a class A lounge where harness horse racing is conducted.

Public Law 1999, chapter 568 was enacted as an emergency measure effective March 21, 2000.

LD 1715 proposed to allow the operation of video gaming terminals by nonprofit organizations that are eligible for games of chance licenses and that are exempt from federal tax under Internal Revenue Code, Sections 501(c)(3), 501(c)(4), 501(c)(8), 501(c)(10) or 501(c)(19). These sections of the tax code refer to charitable organizations, civic leagues, fraternal benefit societies, domestic fraternal societies and associations and veterans organizations. Under this proposal, organizations that currently have licenses for electronic video machines but do not qualify under one of those code sections may apply for an initial license while they seek the required federal tax status. The organization applying for the license must own or lease the premises on which the terminals will be placed and must use the premises for its charitable or nonprofit purpose, as proposed by LD 1715.

The bill proposed that video gaming terminal manufacturers, distributors, wholesalers and operators must be licensed by the Chief of the State Police, following background investigations of the applicants and their major business partners. Local approval would be required for a license to operate video gaming terminals under this bill.
