***Summary Of Legislation Before The Joint Standing and Select Committees***  
***August 1999***

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Public Law 1999, chapter 355, changes the name of the "Maine State Pilotage Commission" to the "Maine Pilotage Commission," increases the number of members on the commission and changes the description of the jurisdictional area that certain members represent, increases fees, penalties and fines for violating provisions of law governing the piloting of vessels, requires the commission to submit its annual report to the Commissioner of Transportation rather than to the Commissioner of Professional and Financial Regulation, specifies that all complaints and investigative records of the commission are confidential during the pendency of an investigation and sets forth exceptions to that confidentiality, adds a definition of the term "actively piloting," specifies that only three of the seven members of the Maine Pilotage Commission may be licensed pilots and add provisions limiting the personal liability of pilots for damages to not more than \$5,000, except for damages or loss arising from the intentional, willful or reckless misconduct of the pilot.
