FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1673 proposed to amend the Maine Uniform Unclaimed Property Act to provide for redemption of gift certificates at 60% of a gift certificate's face value.

Committee Amendment "A" (H-436) proposed to replace the bill. It proposed to provide that the amount abandoned is 60% of the face value of the gift certificate if the issuer imposes neither a dormancy charge nor a period of limitation on the owner's right to redeem the certificate at 100% of face value. The bill proposed that if the issuer does not meet that criteria, the current language applies; that is, the amount abandoned is the purchase price paid for the certificate.

Enacted law summary

Public Law 1999, chapter 232 amends the Maine Uniform Unclaimed Property Act to provide that if a gift certificate is not redeemed within the presumptive abandonment period, the amount abandoned is 60% of the face value of the gift certificate if the issuer imposes neither a dormancy charge nor a period of limitation on the owner's right to redeem the certificate at 100% of face value. If the issuer does not meet that criteria, the amount abandoned is the purchase price paid for the certificate.

LD 1717 proposes to make communication between a licensed professional counselor and a patient privileged if the communication was received during the course of professional counseling services, with certain exceptions. The communication could be disclosed when the licensed counseling professional determines the patient needs to be hospitalized due to mental illness, when a court orders the examination of a patient to determine the emotional or mental condition of the patient, when a patient raises the patient's mental or emotional condition as a defense in a proceeding at law or in equity, when the communication is to a person who is present or participating in the professional service, including 3rd party reimbursors and clinical or peer supervisors, or when the communication is necessary to further the best interest of the patient or is reasonably necessary for the transmission of the communication.

This bill has been carried over to the Second Regular Session.
