ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Resolve 1999, chapter 127 establishes a 5-member committee, made up of Legislators, to develop a compensation program for victims of abuse at the Governor Baxter School for the Deaf. It lists specific items that must be considered in the study process and elements that must be included in the program. It includes resources to make use of consultants and participants from other compensation programs. The study committee must report to the First Regular Session of the 120th Legislature by November 1, 2000 with any implementing legislation. At least partial funding for compensation is included in the Budget Bill, Public Law 1999, chapter 731, Part PPP.
