Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Amendments Adopted

LD 1787 proposes to require that the state employee health insurance program treat the children of two unmarried state employees the same as it does the children of two married state employees when offering and establishing costs for health insurance. This bill proposes to require the state to offer so-called "split contracts" to unmarried state employees on the same basis and cost as if offered to married state employees.

LD 1787 has been carried over to the Second Regular Session.

Committee Report
OTP-AM

Amendments Adopted
S-111

LD 1806 proposed to eliminate duplicative regulation of financial planners and investment advisors under Title 24-A and bring Maine's definition of "insurance consultant" into conformity with the majority of other states. Financial planners and investment advisors are also regulated under the Maine Revised Statutes, Title 32.

Committee Amendment "A" (S-111) proposed to clarify that investment advisors are not required to be licensed as insurance consultants to the extent that their activities entail providing insurance advice incidental to financial planning advice. The amendment also proposed to allow a licensed insurance producer authorized to act as or on behalf of an investment advisor to collect a fee for insurance advice and collect a commission for the sale of any insurance or annuity policy in connection with rendering that insurance advice.

This amendment also proposed to add a fiscal note to the bill.

Enacted law summary

Public Law 1999, chapter 225 eliminates duplicative regulation of financial planners and investment advisors and brings Maine's definition of "insurance consultant" into conformity with the majority of other states. It clarifies that investment advisors are not required to be licensed as insurance consultants to the extent that their activities entail providing insurance advice incidental to financial planning advice. It also allows a licensed insurance producer authorized to act as or on behalf of an investment advisor to collect a fee for insurance advice and collect a commission for the sale of any insurance or annuity policy in connection with rendering that insurance advice.
