ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Senate Amendment "A" to Committee Amendment "A" (S-338), offered during the First Regular Session, proposed to amend committee amendment "A" to reduce the amount of funds deposited in the Low-income Electric Consumer Trust Fund. Senate Amendment "A" to House Amendment "A" (S-354), offered during the First Regular Session, proposed to specify that funds in the Maine Low-income Energy Assistance Fund may be used for appliance replacement rather than for fuel assistance.

This amendment proposed to provide for an appropriation of \$70,000,000 from the General Fund to the Low-income Electric Consumer Trust Fund, an amount approximately equal to the amount of corporate income taxes and real estate transfer taxes that were deposited in the General Fund as a result of sales or transfers of generation assets required to be divested pursuant to the electric restructuring law; to provide that the low-income program funded by the Low-income Electric Consumer Trust Fund becomes active on March 1, 2002; to require that until that date existing utility-administered programs remain in place; and to direct consumer-owned electric utilities to develop and implement programs to provide assistance to low-income consumers between March 1, 2001 and March 1, 2002.
