ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1849**An Act to Amend the Laws Governing Public Easements and the Discontinuance of Town Ways****CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKEE NUTTING J		

LD 1849, which was carried over to the Second Regular Session, proposes that a municipality may only retain a public easement in a discontinued road by stating in the discontinuance order that a public easement is retained. This bill would reverse current law under which the public easement is automatically retained unless the discontinuance order states that the easement is not to be retained.

LD 1867**An Act to Amend the InforME Laws****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GERRY	ONTP MAJ OTP-AM MIN	

LD 1867 proposed to amend the InforME Public Information Access Act in the following ways:

1. Add a member who represents the interests of the Legislature to the InforME Board and make a representative of the Judicial Department appointed by the Chief Justice of the Supreme Judicial Court a voting member;
2. Require the Department of the Attorney General to provide legal services to the InforME Board;
3. Require the attendance of nine voting members to constitute a quorum and the affirmative vote of nine members to take any action of the InforME Board;
4. Require free access to premium services to be provided to libraries, the Legislature, the Governor and the Judicial Department and require the approval of the data custodian for any premium service fee;
5. Require consultation with the Attorney General for the development of job criteria for a network manager. The bill would require a one-year initial term and an opt-out provision for any contract; and
6. Require the network manager to ensure that any information transmitted through the network does not become inaccurate as a result of manipulation or customizing of the information in the process of developing a premium service.

Committee Amendment "A" (H-414) was a minority report that was not adopted. It proposed to replace the bill and to require free InforME premium services to be provided to all libraries in the State.
