ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

CARRIED OVER.....Bill carried over to Second Regular Session
CON RES XXX..... Chapter # of Constitutional Resolution passed by both Houses
CONF CMTE UNABLE TO AGREE.....Committee of Conference unable to agree; bill died
DIED BETWEEN BODIES.....House & Senate disagree; bill died

ONTP

Amendments Adopted

LD 1924 proposed to do the following:

1. It proposed to require manufacturers of mercury-added products to disclose the fact that a product offered for sale in this State contains mercury and to label the product accordingly;
2. It proposed to require persons who sell mercury-added lamps for use in large applications such as industrial facilities to clearly inform the purchaser in writing that the lamps contain mercury, a hazardous substance regulated by state and federal law, and that the lamps may not be placed in solid waste. It also proposed to require contractors who remove large quantities of mercury-added lamps to disclose, in writing, the arrangements made for management of the mercury in the removed lamps;
3. It proposed to impose restrictions on the sale and distribution of elemental mercury;
4. It proposed to ban the sale in the State of toys, games or clothing that contain mercury; and
5. It proposed to require the Land and Water Resources Council to submit a report on manufacturer responsibility for collection of mercury-added products from users with recommendations to implement a system for ensuring that disposal of mercury-added products does not contribute to mercury emissions to the environment.
