ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act to Clarify the Authority of Maine Game Wardens to Stop Motor Vehicles

DIED BETWEEN BODIES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUNLAP	OTP-AM MAJ ONTP MIN	

LD 2274 proposed to repeal a sunset on a provision of law allowing game wardens to stop vehicles if it is necessary to protect a person from the threat of death or personal injury.

Committee Amendment "A" (H-800) was the majority report of the committee and proposed to clarify that, while game wardens have the same powers as sheriffs, including the authority to stop a motor vehicle if there is a reasonable and articulable suspicion of a violation of law or to protect public safety, game wardens' primary responsibilities lie in the enforcement of laws protecting fish and wildlife.

Although this bill died between houses, a bill submitted by the Governor (see summary for LD 2691) addressing this issue was enacted as Public Law of 1999, chapter 738.
