August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. Amendments Adopted

Current law allows a law enforcement officer at the officer's discretion to impound the vehicle of a person who is arrested for operating the motor vehicle under the influence of intoxicants. LD 1912 proposed to require a law enforcement officer to impound the motor vehicle of a person arrested for operating the vehicle under the influence if the person:

1. Was under 21 years of age;
2. Has at least one conviction of operating under the influence within the past 10 years;
3. Was tested as having a blood-alcohol level of 0.15% or higher;
4. Was exceeding the speed limit by 30 miles per hour or more;
5. Eluded or attempted to elude an officer;
6. Was operating with a passenger under 21 years of age; or
7. Failed to submit to a blood-alcohol test at the request of a law enforcement officer.

This bill proposed to require that the motor vehicle be impounded at the time of the arrest and to prohibit the release of the vehicle for a period of not less than 48 hours after the time of impoundment. The bill proposed that the owner of the motor vehicle pay all of the expenses incident to the impoundment and storage of the vehicle and a \$100 impoundment fee to the law enforcement agency whose officer ordered the motor vehicle impounded to pay the expenses of the law
