**LD 1940****An Act to Create Standards of Eligibility Governing Certain Tax-exempt Organizations and to Phase in a Reduction of the Rate of Exemption to Reflect the Cost of Providing Essential Municipal Services****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAGGETT	ONTP	

LD 1940 was carried over from the First Regular Session. The bill proposed to create a phased-in system that gradually reduces the property tax exemption for all property that is currently 100% exempt excluding municipal, federal or church property or parcels of real estate that do not have structures built on them. The value of the exemption would be reduced 4% per year until the exemption reaches 60% of the property's just value where it would remain. The bill also proposed to establish the following requirements that benevolent and charitable organizations must meet to qualify for exemption:

1. The organization must provide a significant portion of its services to a substantial class of persons who are the legitimate subjects of charity or otherwise relieve the government of its burden;
2. The organization must report on its charitable performance annually to the municipal assessors and publish that report in a daily newspaper of general circulation; and
3. The salary and benefits provided by the organization to its directors, trustees, officers employees and agents must fall within the definition of reasonable compensation as is measured by a Maine Department of Labor publication that lists Maine occupational wages.

**LD 2023****An Act to Authorize a Local Option Tax on Wages Earned in a Municipality****ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GAGNON RAND	ONTP	

LD 2023 proposed to allow municipalities to adopt by referendum a local option tax at a rate of not more than 2% of the amount of the Maine income tax owed on wages under the Maine Revised Statutes, Title 36, chapter 803. The tax would be administered by the State. Revenues, less administrative costs, would be returned to the municipality where collected. Revenue raised by a local option wage tax could be used by the municipality only to finance specifically approved major capital projects.
