ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Amendments Adopted
H-672

LD 2028 proposed to reorganize the existing Atlantic Salmon Authority by establishing the responsibility for the management of Atlantic salmon in a commission consisting of three members: the Commissioner of Inland Fisheries and Wildlife, the Commissioner of Marine Resources, and an at-large public member appointed by the Governor. The bill proposed that the commission appoint an executive director.

Committee Amendment "A" (H-672) proposed to reorganize the Atlantic Salmon Authority by establishing the responsibility for management of Atlantic salmon in a commission governed by a policy-making board consisting of three members: the Commissioner of Inland Fisheries and Wildlife, the Commissioner of Marine Resources and an at-large public member appointed by the Governor and confirmed by the Senate. The amendment proposed to expand the commission's duties to include protection, preservation, enhancement, restoration and management of Atlantic salmon as well as to secure a sustainable recreational fishery. The amendment proposed to have the commission administer the State's Atlantic salmon conservation plan.

The amendment proposed to have the advisory panels from river basin complexes representing the historical range of Atlantic salmon in the State to assist the Atlantic Salmon Commission in developing plans and programs.

The amendment proposed to give the commission responsibility for administration of the Atlantic salmon conservation plan. The amendment proposed that the executive director would be responsible for managing the day-to-day operations of the Atlantic Salmon Commission.
